

**WORKSHEET FOR CALCULATING STUDY ABROAD CEU SAN PABLO UNIVERSITY,  
MADRID, SPAIN**

**SPRING 2017 SEMESTER (ATTENDANCE LATE JANUARY – MID JUNE)**

Please Note: Fees below are based on a semester term. For students planning to study for an academic year, please double tuition, housing, food, travel expenses, insurance, and personal expenses. Students awarded an exchange slot will pay tuition based on Coastal Carolina University In-State rate. Students going on a non-exchange slot will pay a special tuition rate. Housing is off-campus and costs are based on many factors not under Coastal Carolina University's control, and can change significantly from one offering of the program to the next. CEU will provide students with information about housing options, but it is the student's responsibility to secure the accommodations. Projected costs are estimates and may change; check often for updates. Upon OIPS admission to the program, you will receive finalized program costs along with other OIPS admissions materials.
